Absorbable Hemostat “PuraStat®”
Product Registration Application Submitted in Korea

The 3-D Matrix group is working towards commercialization of absorbable hemostat “PuraStat®” globally. The company hereby announces that Daewoong Pharmaceutical (head office located at Bongseunsa-ro114-gil 12, Gangnam-gu, Seoul, Korea), the company’s sales and marketing partner for Korean market, has submitted the application for medical device product registration in Korea on January 29, 2015.

The group has obtained CE marking for the absorbable hemostat “PuraStat®” on January 14, 2014. This CE marking can be leveraged by using it as a reference regulatory agency approval in various countries in Asia-Pacific and Latin America. The product can be commercially marketed once approval is obtained in each country.

The group is currently focused on product launch in Europe. At the same time, the group plans to continue to do the same in other markets in Asia-Pacific and Latin America, leveraging on the CE marking.

This announcement does not influence the earning forecast of the company at this moment. However, the group will make necessary announcements when it is deemed that there will be influence on the earning forecast of the company.
